JOB SUMMARY:

A case administrator performs various functions and is responsible for maintaining, processing, and managing case information from opening to final disposition, in accordance with approved internal controls, procedures, and rules. The incumbent serves as records and reproduction clerk and/or case initiation clerk, and receives and reviews incoming court documents for conformity with federal and local rules, and performs customer service for the purpose of providing procedural information and basic CM/ECF instruction, and performs other duties as assigned. Incumbents may also terminate cases after ensuring that all necessary orders are entered and proceedings are completed accurately.

QUALIFICATIONS:

To qualify for the position, a person must be a high school graduate or equivalent and have a minimum of one year of progressively responsible clerical or administrative experience. A qualified candidate is able to enter a high volume of complex data into an automated case management system accurately, adhere to stringent deadlines, demonstrate strong oral and written communication skills, organization and analytical skills, and interact effectively with judges, attorneys, litigants, and court personnel. Skill in the use of Microsoft Word and Adobe Acrobat is required. The ideal candidate is able to work with minimal supervision while maintaining an acceptable level of productivity. Familiarity with electronic case filing, especially the Case Management/Electronic Case Filing system, knowledge regarding court operations, the ability to work independently and without supervision, and experience in the legal field is desirable. A Bachelor's Degree is preferred.

*To qualify as a **Case Administrator I** an applicant must have one year of specialized experience equivalent to CL-23. To qualify as a **Case Administrator II** an applicant must have one year of specialized experience equivalent to CL-24.*

Specialized experience is progressively responsible experience requiring the regular and recurring application of clerical or administrative procedures that demonstrated ability to apply a body of rules, regulations, directives, or laws and involved the routine use of specialized terminology and automated software and equipment for word processing, data entry, or report generation.
